Doorhanger for first-run of Enhanced Tiles

Welcome to the new and improved Firefox New Tab page!

To improve your experience and make New Tab pages more useful, Firefox will display a set of Tiles on each New Tab page. Some Tiles may be “Sponsored” by different types of partners. Mozilla will indicate to you which Tiles are Sponsored.

Also, Mozilla collects and uses certain analytics information relating to your use of the Tiles, but we do so according to our Privacy Notice.

You can turn off the Tiles feature in your Settings.

For more information about Tiles, click here. More.
